## Public Engagement at Newcastle Great Park

Newcastle Great Park Consortium want to inform you about the second stage of public consultation regarding proposals to development on land known as Cell A and B1.

The proposal is to deliver 1200 residential units, school provision and playing fields. Initial consultation took place in late June and early July 2016 and all the views provided have been taken into account. Now we want to present what is being prepared for the submission of an outline planning application.

The event will take place at the Great Park Community Centre and representatives from the Consortium will be available to answer any questions you have.

**We hope to see you!**

**Saturday 15 October**

**2pm - 5pm**

**Thursday 20 October**

**2pm-7pm**

**Have your say**

Consultation is ongoing and all the information available at the consultation events will be available online from 14 October 2016, along with a questionnaire. We hope you can take the time to complete the questionnaire as your comments are important to us.
