

# ORDER

The safety of our customers + staff is of the utmost importance.  
In order to adhere to government guidelines please:

Pre-Order here:

[bit.ly/FleetOrder](https://bit.ly/FleetOrder)

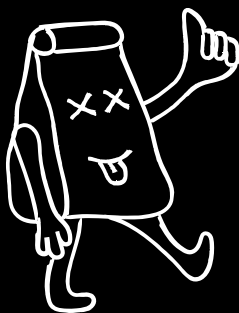

[Open in your phone camera]

  @FatHippoFleet

Be aware we are operating a strict pre-order + collection system.  
Head to [bit.ly/FleetOrder](https://bit.ly/FleetOrder) to pre-order. It will **not be possible to order direct from the truck.**

Once orders have been placed they are **final and unable to be amended** or have the time slot changed.

**Allergens please ask.** If you have any allergies or specific dietary requirements please pay close attention to the allergen labels on the online order system. We are able to cater for a wide range of dietary requirements but due to us operating from our smaller mobile set up, there may be some cross contamination between products.

Follow our signage + please ensure only **1 person per household** collects your order.

Please practice **social distancing** + stay 2 metres apart from everyone at all times.

All orders will be bagged up + placed at the front when ready meaning **no contact.**

Enjoy!
