A1 Scotswood to North Brunton Overnight Closures

Friday 4 June to Friday 18 June

Approximate hours: 8pm to 6am

The A1 Scotswood to North Brunton Major Project team would like to keep you informed of up and coming overnight closures along the A1 which will be carried out this month (May).

The team will carry out earthworks and drainage mainly up in the northern section on the verges, as well as pier encapsulation works around the North Brunton structure.

In the southern section J77 to 74, installation of the concrete safety barrier will continue, as will drilling and grouting, installation of a linear drainage channel and ducting around structures, all within the central reservation.

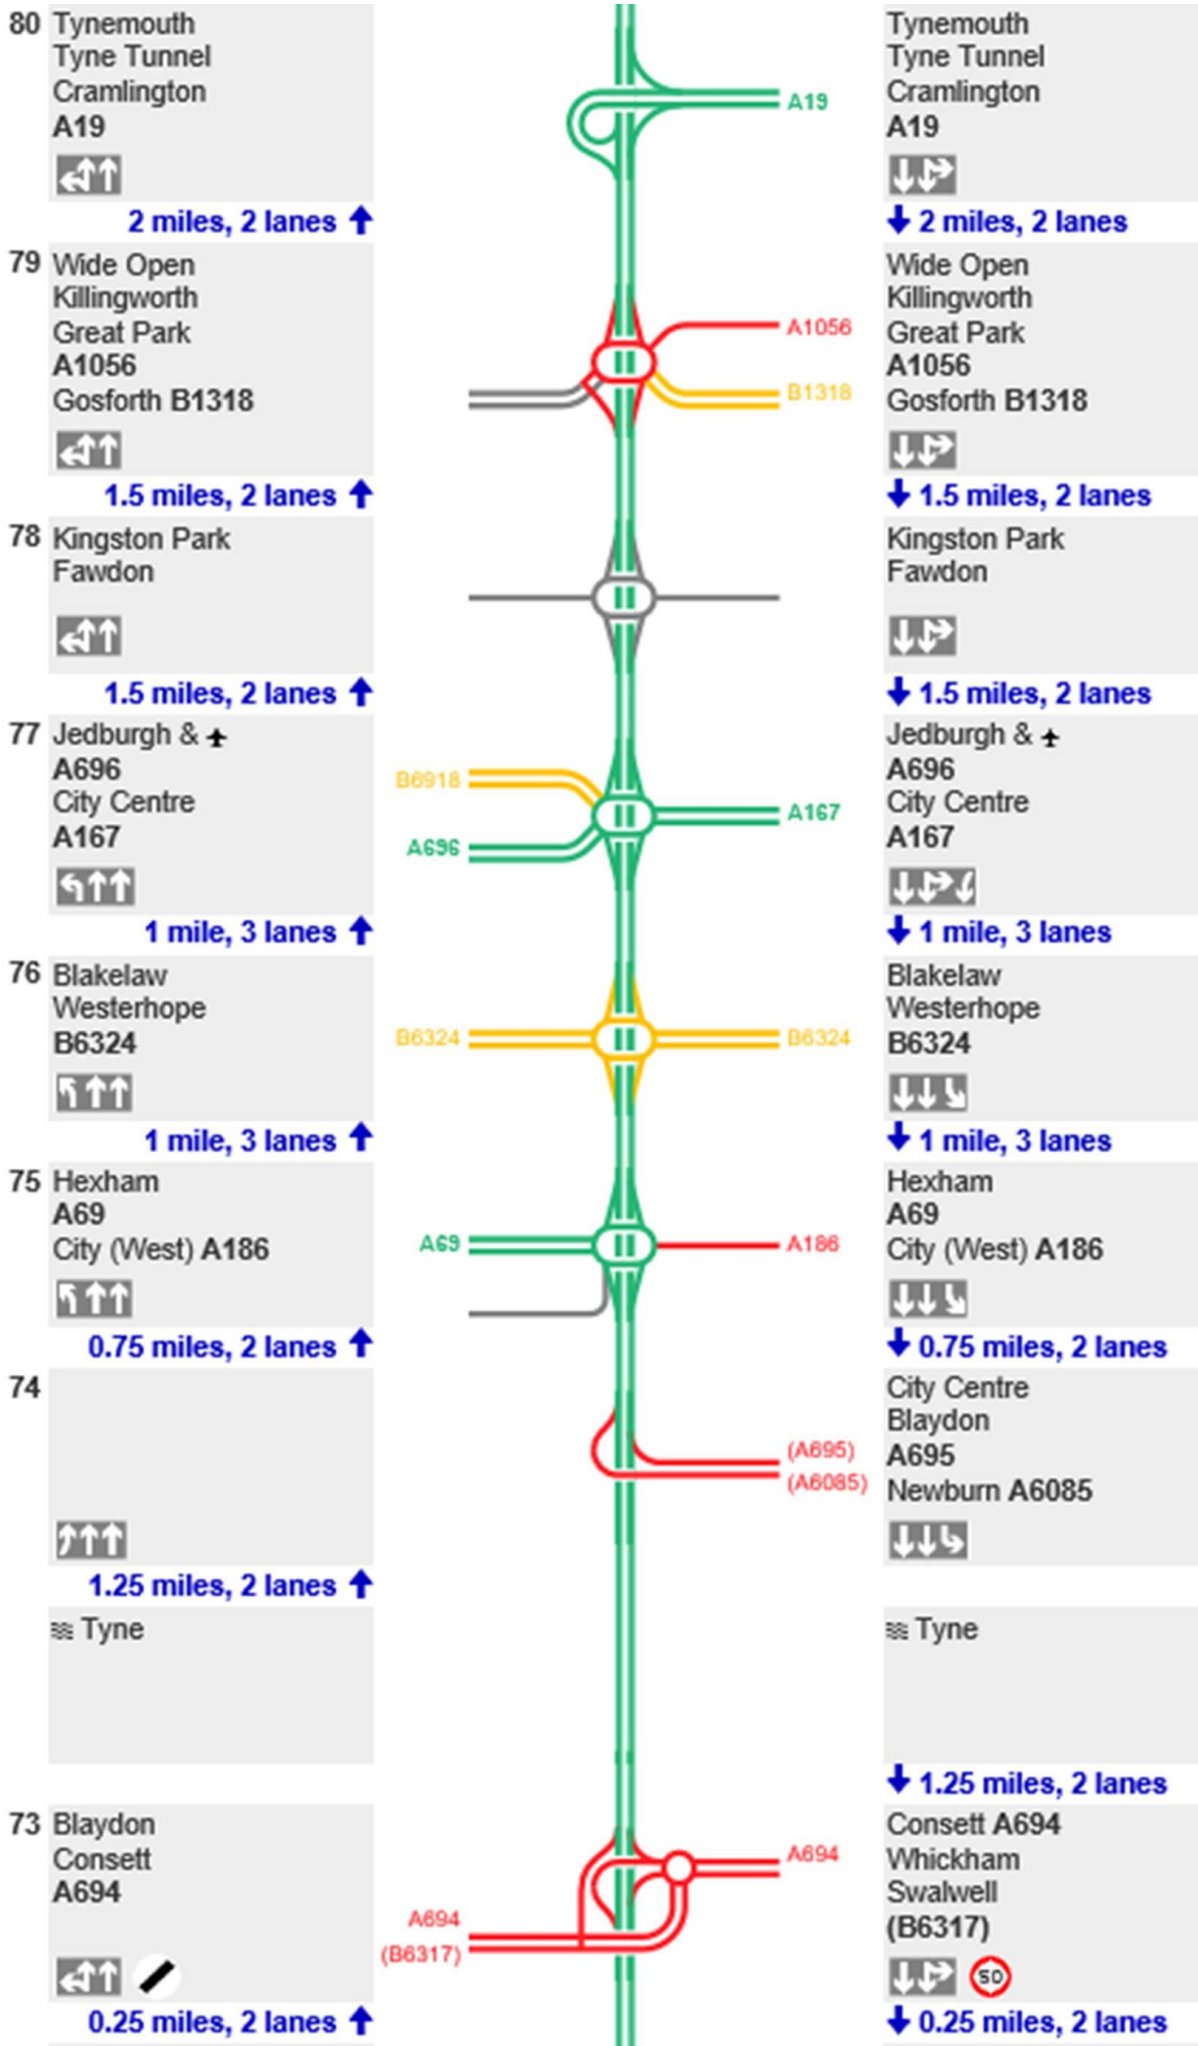

Please be aware that our planned closures up until the 18 June (outline below) could be subject to change due to adverse weather or other unforeseen circumstances.

If you have any queries or concerns regarding the A1 Scotswood to North Brunton scheme, email the team at A1S2NB@rdpnorth.co.uk or you can alternatively visit our dedicated webpage to the project: <https://highwaysengland.co.uk/our-work/yorkshire-and-north-east/a1-scotswood-to-north-brunton/>

Please see Highways England's Go Left Campaign which will advise what you should do if you break down. Click on the link below
