A1 Scotswood Overnight Closures

Friday 27 May to Friday 24 June

Approximate hours 20:00hrs to 06:00hrs

Completed in May

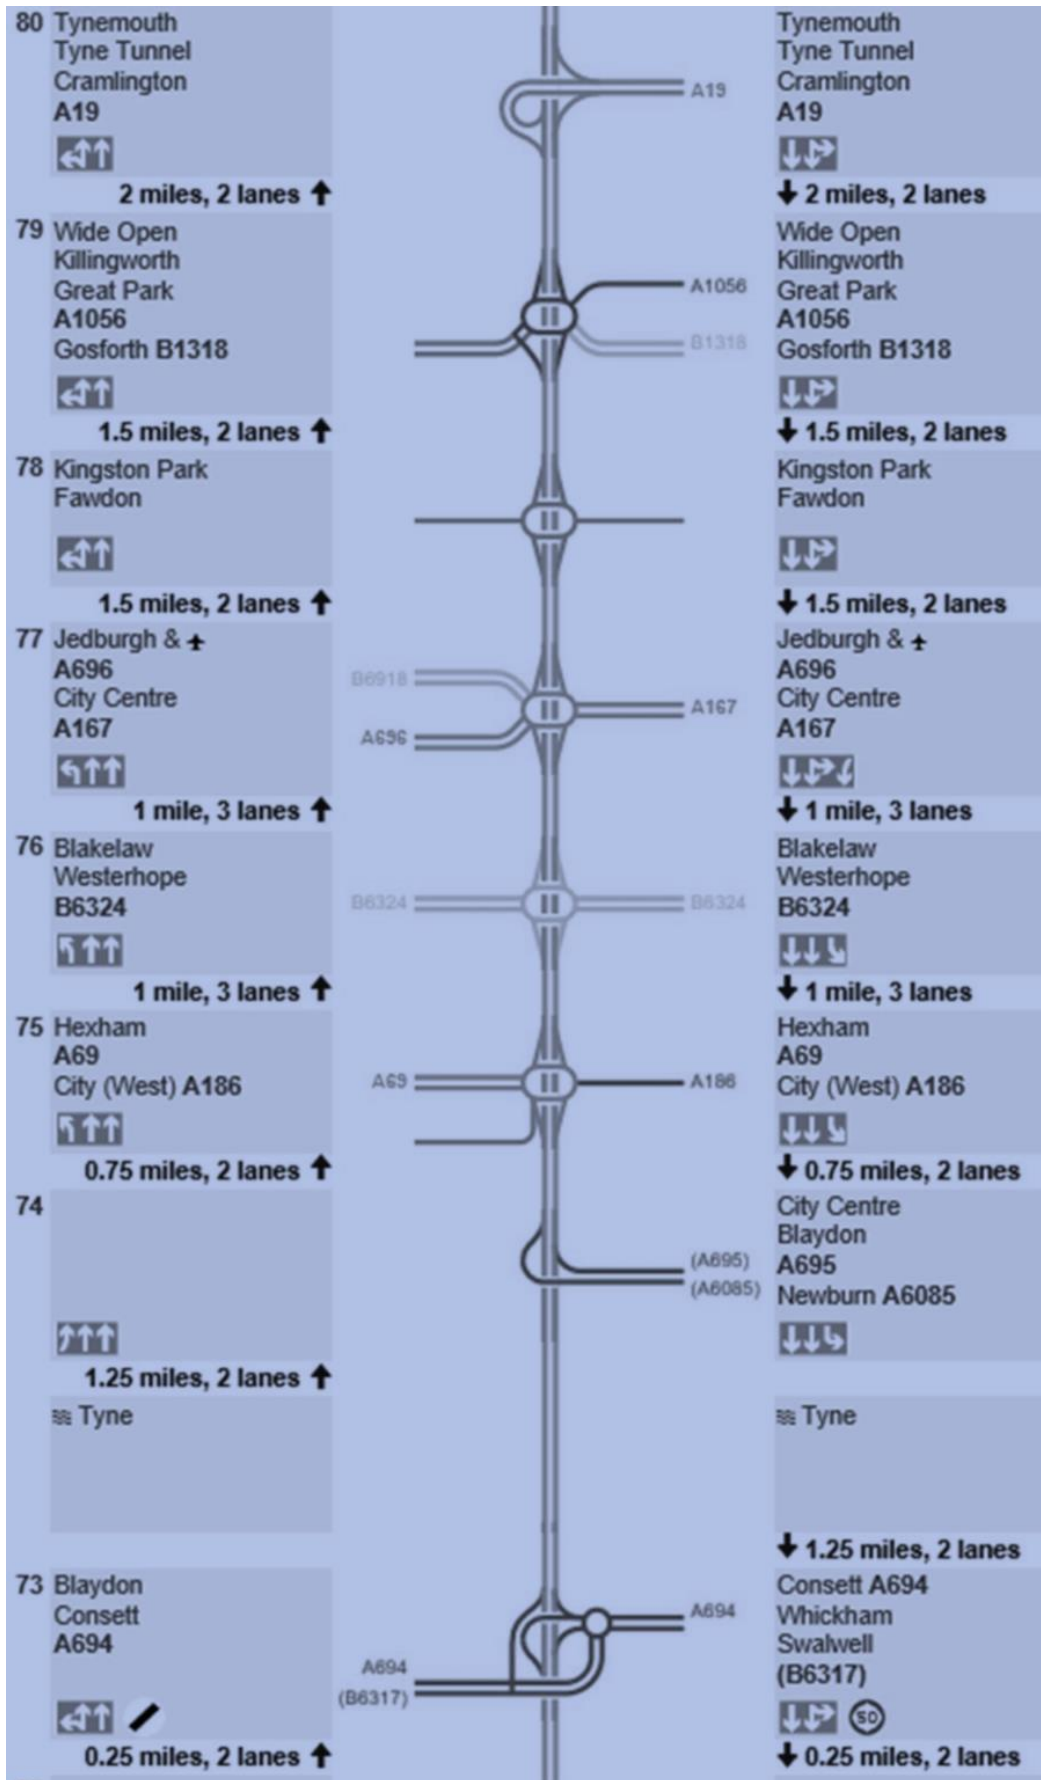

In May both verge finishing works and placement of concrete to narrow widening in verges are nearing completion. On nightshift we have been installing new runs of surface water channel, drainage kerbs and permanent barrier, surfacing of the existing carriageway and widening sections, installing new traffic sign foundations/posts/faces and laying new drainage kerbs. This has opened up surfacing to the widening sections and existing carriageway.

Coming up in June

As we continue to push for completion there will be a large amount of work being delivered on nightshift under full closures. Surface water channel, permanent barrier and surfacing all continuing throughout the month of June. We will continue erecting a lot of our new sign plates and progressing with gantry works.

If you have any queries or concerns regarding the A1 Scotswood to North Brunton scheme, you can also email the scheme inbox A1S2NB@rdpnorth.co.uk

Planned closures on A1.- these closures between Friday 1 April and Friday 29 April could be subject to change due to adverse weather or other unforeseen circumstances.

Please see National Highways latest campaign, check your car before you travel.

Remember to plan ahead before a drive and check your tyres before you travel, ensure you leave yourself plenty of extra time and bring supplies (water and food) in case of delays.

**THIS BANK HOLIDAY, REMEMBER
TO CHECK YOUR TYRE PRESSURE**

For more information related to checking your tyres, please go to <https://highwaysengland.co.uk/tyrechecks/>
