## **A1 Scotswood to North Brunton Overnight Closures**

**Friday 1 July to Thursday 7 July**

**Approximate hours: 8pm to 6am**

The A1 Scotswood to North Brunton Major Project team would like to keep you informed of the progress on the scheme and the overnight closures along the A1 which will be carried out throughout the month of July.

### **Completed in June**

Throughout the month of June, we have been carrying out large scale surfacing to the new and existing carriageway and removing large runs of temporary safety barrier to facilitate this work. This work has been taking place on nightshift as well as installing new traffic signs, installing new permanent barrier, carrying out finishing works to the verges and planting all remaining trees and shrubs. Toward the end of the month a lot of our dayshift activities have come to an end, and we are mainly delivering works to completion on nightshift.

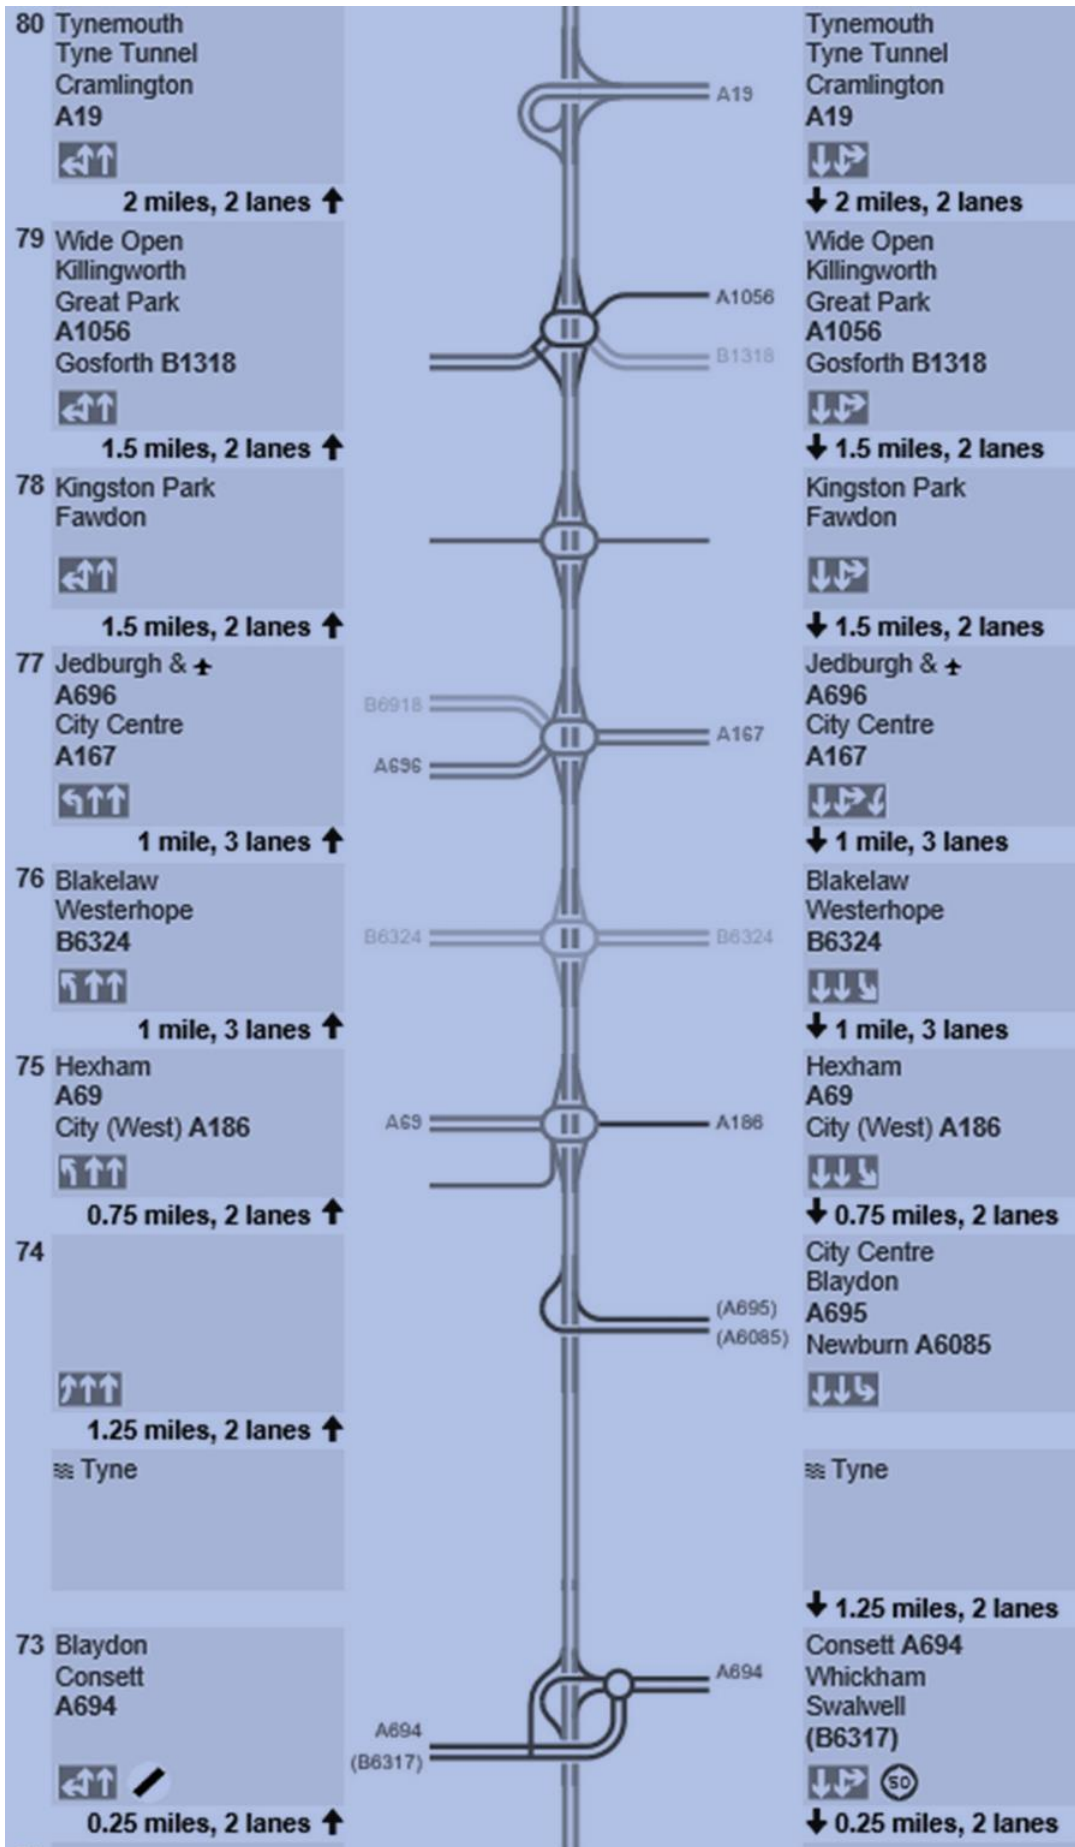

### **Coming up in July**

In July, we will remove the last of the temporary barrier off site, continue surfacing the new and existing carriageway, install metalwork and sign plate to the 16 gantries throughout the site as well as new sign plate to all traffic signs in verges. We will also be installing new road markings on the carriageway and opening sections of the road to road users where safe to do so.

You can also use the following social media accounts to keep up to date with scheme progress and for the latest closure information, please follow us on Twitter @HighwaysNEAST or check out [our Facebook page](#)

If you have any queries or concerns regarding the A1 Scotswood to North Brunton scheme, you can also email the scheme inbox A1S2NB@rdp.co.uk

**Please be aware that our planned closures up until the 7 July (outline below) could be subject to change due to adverse weather or other unforeseen circumstances.**

Please see National Highways latest campaign, check your car before you travel.

Remember to plan ahead before a drive and check your tyres before you travel, ensure you leave yourself plenty of extra time and bring supplies (water and food) in case of delays.

For more information related to checking your tyres, please go to <https://highwaysengland.co.uk/tyrechecks/>
